EDUCATION

University of Nevada, Las Vegas

Bachelor of Science, Computer Science

Las Vegas, NV

Aug 2018 - Dec 2022

- GPA: 3.74/4.0
- Dean's Honor List: Fall 2018, Spring 2019, Fall 2019, Spring 2022
- ASC Dean's Award Scholarship Recipient
- Engineering Scholarship Recipient

PROJECTS

Portfolio Website | *HTML, CSS, JavaScript*

- Built a personal portfolio to introduce myself and showcase all of my side projects
- Utilized CSS to add simple animations and a navigation bar to the site
- Hosted website using GitHub pages

Sudoku Solver | *C++*

- Built a terminal based Sudoku solver that can solve any puzzle given as a text file
- Utilized the recursive backtracking algorithm to find a solution to any given puzzle
- Program reads in a text file containing the board and then prints out the solution in a formatted grid

TECHNICAL SKILLS

Languages: C++, C, HTML, CSS, JavaScript

Frameworks: React, Node.js, Express.js

Developer Tools: Git, VS Code, Visual Studio, WSL
